

To whom it may concern:

We are glad to inform you that AZTEK LLC is our civil maintenance and construction contractor since June 2018 and covers our main office, sport and welfare facilities in Baku and regions.

Scope of work includes but not limited to the following:

1. Capital repairs/renovations (Concrete works, masonry, paint jobs, drywall, isolation, ceramic, flooring, electrical fit out, fire detection systems, CCTV, sanitary works, HVAC and design. Decor).
2. Preventative and proactive maintenance (including materials supply)
3. Small repair works

All construction projects and maintenance activities were performed in timely manner and with best quality standards.

Sincerely,

The Secretary General

Vasif Mammadov
