Recommendation Letter: To Aztek LLC

On behalf of Schlumberger, we are pleased to recommend Aztek LLC for consideration for various construction and maintenance work scopes.

Aztek LLC was our contractor since 2019 in multiple projects and successfully delivered all with high quality and safety standards and used best available materials and consumables on the market.

Qualified professional personnel and management have done their best to fulfil the obligation and were very helpful and responsive.

Thanks and Regards

Aydin Karimov / Managing Director SLB
