AZTEK LLC

RECOMMENDATION LETTER

On behalf of Technip Energies we are pleased to recommend AZTEK LLC for consideration for various construction and maintenance work scopes.

AZTEK LLC was our contractor since 2022 in multiply projects including but not limited to general construction,renovation/repair, HVAC,MEP and etc.

Successfully delivered all with high quality and safety standards and used best available materials and consumables on the market.

Qualified professional personnel and management have done their best to fulfil the obligation and were very helpful and responsive.

Sincerely/ Hörmətlə,

Branch Manager
